President

October 7, 2013

Dear President Wright and all members of Zeta Phi Beta Sorority, Inc.,

Congratulations on exceeding your all-time best March for Babies total, raising over \$306,000, clinching the top spot in the 2013 Zeta -Alpha March for Babies Challenge. Your efforts, your national and regional leadership teams and every member truly made the difference. Together, we make an impact on the missions of both the March of Dimes and Zeta Phi Beta Sorority. The energy and celebration in the room when the winner was announced could not be matched and was the highlight of our March for Babies Awards event. Thank you again for working hard to ensure that all babies have a healthy start in life.

With gratitude,

Dr. Jennifer L. Howse
