

Mission/Vision of Program

MISSION

- The mission of the Transition Your Talents initiative is to support sorors as they navigate the process of transitioning in 4 areas:
 1. Within the sisterhood
 2. Academically
 3. Professionally
 4. Through Womanhood
- We will help sorors successfully navigate from where they are to where they want to be in those core areas. Succeeding in the core areas will strengthen them as sorors and strengthen the sisterhood.

VISION

- We see a sisterhood that effectively and seamlessly transitions and retains sorors.
