

# Program Goals

- Provide Undergraduates with tools to assist with the transition from an undergraduate chapter to a graduate chapter.
- Provide chapters with exemplary transition processes, guidelines and best practices
- Implement a training process with resources and materials to aid in a successful transitioning process
- Provide ways that *transition ambassadors* (Membership Committee) in each region can help chapter members and committees implement this process and incorporate it into our chapters' day-to-day operations
- Review materials every two years for potential updates
- *Statistical goals - TBD reviewed every 2 years*
