Greetings Sorors,

We hope that you and your families are healthy and well during this new year. The National Protocol Team has received several inquiries regarding protocol and amenities for international officers and dignitaries during this COVID-19 pandemic. As required by International Headquarters, we are to operate virtually until further notice. This includes protocol and amenities for upcoming observances and conferences. If any of our international officers and dignitaries, including Past Grand Basilei, Regional, and State Directors, require amenities, we recommend sending electronic/virtual gifts such as e-cards, gift cards, etc. Although greatly appreciated, the National Protocol Team will not be providing home addresses or other personal contact information to the membership outside of their email addresses.

This will be the standard practice for protocol and amenities until the sorority returns to face-to-face contact. Thank you for your patience and understanding.

Sisterly,

National Protocol Team
